Dear Sir or Madam,

I would like to congratulate Enterprises Shipping & Trading SA on its renewal in the U.S. Coast Guard's Large Fleet Designation Program. Enterprises Shipping & Trading SA does qualify for inclusion on the Large Fleet List as of March 2017. Your company will not be placed on the monthly targeted owners list unless three of your vessels are detained within a twelve month period.

Companies enrolled in the Large Fleet program must renew on a yearly basis to ensure continued eligibility. If you choose to submit an application for renewal in this program, you should do so in the first week of February, 2018. Failure to submit a renewal application within this timeframe may result in the removal of your company from the program while we evaluate your application. Please refer to our website for more information at:

If you have any further questions, please contact Ms. Whitney Peters at the above e-mail address or telephone number.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. H. Moore, Jr.".
